AKC OWNER-HANDLED SERIES

The AKC National Owner-Handled Series allows Owner-Handlers to compete head-to-head against other Owner-Handlers. It not only makes showing more fun, but it also actually increases the chances for winning at Breed, Group and Best in Show levels. Participation is easy:

- Simply check the owner-handled eligibility box on this show's entry form
- No additional entry fees
- Owner-handled dogs eligible to compete in Best of Breed including Winners Dog, Winners Bitch and winners of non-regular classes can participate
- The AKC Owner-Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers. This series of special competitions will be offered at select dog shows across the country.
- All dogs that are owner-handled and are not owned or exhibited by professional handlers meet the requirements for this competition. The handler must be an owner of record according to the AKC's records as of the date of the show.
- Exhibitors must declare their dog is Owner-Handled eligible at the time of entry using the check box on the entry form. Eligible dogs will be identified by an asterisk in the steward's book and the catalog.
- Dogs must be handled throughout the competition by an eligible owner. Professional handlers may not exhibit the dog in any competition during the entire show.
- Dogs owned or exhibited by professional handlers, their assistants and members of their household are not eligible to participate.

OBEDIENCE / RALLY

- KCGRC will accept entries of Golden Retrievers first, according to Option 2 in the AKC Obedience Rules & Regulations Manual, then from all breeds until the entry limit of obedience entries per day is reached. Capacity of the facility limits obedience and rally not to exceed 8 hours of judging time per day per judge.
- Open to all AKC Recognized Breeds and All-American Dogs listed in the AKC Canine Partners Program, with Golden Retrievers, receiving first priority (According to Option 2 in the AKC Obedience Regulations).
- A qualifying score is required for all prizes in the regular classes but is not required for prizes in the non-regular classes. "Dog" when applied here means either sex.
- All dogs will be judged in jump height order in all obedience and rally classes in which jumps are used.
- Judging will be in ascending order beginning at 4 inches. * Transfers are allowed per AKC regulations.
